

FAASTeam Flight Instructor Open Forum

Are YOU placing enough emphasis on the most common weather-related accident causes? Do you train your students to obtain at least some basic weather information? An alarming number of General Aviation accidents occur because of pilots not obtaining ANYweather brief prior to flight. During this event we will discuss some tips for Flight Instructors to ensure their students properly learn weather essentials and also some new tools available to make weather briefs better. Learn how others train their students to avoid surprises. Click the link below and register TODAY.

Directions: Please preregister. Meeting held in FSDO 17 Conference room, Suite 110
